1 The parties hereto agree and stipulate to an extension of time for Defendant Elizabeth
2 Pami to file an Answer to the Complaint, up to and including April 29, 2021. The reason for the
3 agreed-upon extension of time is Elizabeth Pami's medical condition, hospitalizations over the
4 past few months, and her need for additional time to hire an attorney. There has been one prior
5 extension granted to Defendant Elizabeth Pami or sought by the parties. This is the second
6 stipulated extension of time between the parties hereto.
